Dear Friends of Faith,

The Kingsport Homeless Ministry, Inc. a recognized 501(c)3 organization, would like to update our community on progress toward opening "Grace House" We are inviting your organization to support our efforts to provide a facility offering housing and a full spectrum of support services for our homeless neighbors in Kingsport, Tn. We have purchased and will operate a day center and night shelter which includes office space for teams of security, on-site social workers, medical, housing, employment and substance abuse counselors. We will learn the challenges faced by our individual clients and seek to help them solve these issues. We will provide spiritual support to our guests to help them have HOPE for their future. We have purchased a building at 700-710 E. Sullivan Street in downtown Kingsport. We will be able to serve 35 to 40 male and female clients in a "low barrier" center. We have hired a shelter director to help move us forward. Kingsport Homeless Ministry, Inc. request your PRAYERS and volunteer efforts to aide us to fulfill our mission revealed by Jesus in Matthew 25:35 "I was a stranger and you took me in." Please join us as People of Faith...Volunteer Opportunities.
