

## 2023 Holston Habitat Faith Build Is Well Underway!

First Presbyterian Church is one of seven area churches providing monetary assistance and volunteer labor for “Marquetta’s Build” located at 2215 Friendship Circle in Kingsport. Our workdays are July 20-22 (Thursday, Friday and Saturday), and typical work times are from 9 a.m. to about 3 p.m. Construction is right on schedule, so our tasks are still expected to include installing flooring, painting and installing doors, and installing trim. Habitat will provide all needed building materials, tools, training, and construction site supervision to make sure our efforts are safe and as productive as possible. Six workers from FPC are needed each day. Lunch will be provided. Please join us in helping deliver Marquetta and her children a gift of a lifetime! Sign up directly through the Holston Habitat website [www.holstonhabitat.org/marquettasbuild](http://www.holstonhabitat.org/marquettasbuild). Click the Volunteer button on page 1 to get started. After completing the Volunteer Profile, scroll to “J. Week 10” and enter password “firstpres” to pick your preferred time. Then finish filling out the remaining information. If you have questions or need a modified work schedule, please contact Jim Amstutz by phone or text at 423-707-8500.
