Being trained and able to perform first aid, CPR and use an AED correctly in an emergency are not only useful skills but, even more importantly, can save a life! The church staff updates their CPR training every two years and you are invited to join them! If you have never been trained, or it is time to renew your certification in CPR, AED and First Aid, now is your chance! A certified trainer from Lambert Training will be our instructor. *These classes are suggested for anyone with limited or no medical training.* You do not have to be a medical provider to save a life! Invite a friend and register to attend this valuable training.

For more information or to register, contact Becca Wright (Parish Nurse) at: (423) 963-9617 or abwright@chartertn.net. Deadline to register: 1/19/26.
