

Holston Camp Youth Retreat

We brought 10 youth to Holston Camp for another amazing weekend filled with worship, fun, and plenty of sugar!

Our theme was "God is in our midst." We were so fortunate to have an amazing keynote speaker, Teresa Kendall from Piney Flats Presbyterian Church, who brought a lot of energy and even joined in the zip line! During her talks she shared personal stories and highlighted many Biblical stories about God being with us. Thank you for supporting our youth so we can have weekends like this where they have the opportunity to grow in their faith away from the hustle and bustle of their normal days. God is doing amazing things at our camp with our new director, Madeline Chandler, and we are lucky to have a place like this to go experience God together.
